

Rolling Rock Building Stone Inc. 40 Rolling Rock Rd Boyertown, PA 19512
Phone: 610-987-6226, Fax 610-987-9779 www.Rollrock.com

Natural Stone is a relatively hard, naturally formed mineral or petrified matter, produced by nature. Therefore, considerable variations including, but not limited to, color, texture, size, and cleft will occur in all natural stone. Samples, sample panels, brochures, photographs, computer-generated pictures, and the Internet may be, in some measure, different from the stone you actually receive. Laboratory tests, if conducted, are performed on small samples and cannot be totally accurate because of the limited scale of the tests. Please be sure that all involved parties are aware of these facts, so an informed decision can be made regarding natural stone.

Use of Chemicals: Acid or chemical cleaners are not recommended because of the inability of the user to control its use, and are never recommended for Limestone and Marble. User accepts all risks.

DISCLAIMER OF WARRANTY AND DAMAGES:
Rolling Rock Building Stone Inc. products are provided to you "AS IS" without warranty of any kind, either expressed or implied, including, but not limited to the implied warranties of merchantability, or fitness for a particular purpose.

Cornwall™ Product Guide

Heavy Steps

Actual Size Imperial Inch x feet-inch	Thickness Inches	Average Pieces Per Crate	Approx. Weight Per Crate (lbs.)
18 x 4-0	6	6	2900
18 x 6-0		4	

Cornwall™ Product Info

Geology: Sandstone

ASTM: N/A

Product Type & Finish:

Heavy Steps: Sawn 6 sides with sandblasted top and rock face on 1 long & 2 short edges.

Custom: On larger projects with proper planning and advance notice we can order special sizes or custom fabricated material from the factory to meet job specific requirements in an effort to reduce on site time and labor and reduce overall project cost. Please consult a sales representative for more information.
