MISSION STATEMENT

Since our founding in 1955, Rolling Rock Building Stone, Inc. has been a trusted producer and supplier of quality natural stone products. Rolling Rock's mission is to provide the convenience of a single source location for one of the largest and most diverse inventories of natural stone products available in the country.

The inventory selection includes building stone facings as well as a diversified array of landscape, antique and ornamental products from around the world. Rolling Rock directly serves local contractors, architects and homeowners in Eastern Pennsylvania and also provides access to their wide selection of products on the national level through authorized resellers.

VISION STATEMENT

It is the goal and desire of Rolling Rock Building Stone, Inc. to become one of the most trusted industry sources for superior quality natural stone products. We will excel in fair and honest communication with our customers. Our knowledgeable staff will assist our customers through education and problem solving. Above all, we will strive to enhance the customer experience by creating a welcoming and friendly atmosphere when conducting day-to-day business. Achieving this goal will provide both endearing beauty and enduring value for our customers for years to come.
